

# Scale Weighing Systems

SWS-PS-60 Plus is the perfect scale to compliment our UPSS Pro Systems Software. The PS-60 Plus is Legal for Trade (NTEP Approved). The scale has an Industrial Heavy Duty Cast Aluminum Base with a Stainless Steel Platter and a Large Blue Back-Lit LCD Display that is made of a Heavy Duty Aluminum Alloy. The SWS-PS-60 Plus is AC/DC operational, either with an included AC adapter or completely portable using 4 "AA" Batteries. The scale has a built-in dual interface, Serial RS232 and USB with included cables.

## Specifications:
